If this type of personal information is included in documents submitted to the USPTO, petitioners/applicants should consider redacting such personal information from the documents before submitting them to the USPTO. Petitioner/applicant is advised that the record of a patent application is available to the public after publication of the application (unless a non-publication request in compliance with 37 CFR 1.213(a) is made in the application) or issuance of a patent. REMARKS

A final Office Action was issued on May 13, 2005. A reply to same was filed by Applicants on July 8, 2005. An Advisory Action was issued on July 28, 2005.

Advisory Action date of July 28, 2005 was mistakenly or avoidably deemed as the Final Office Action date. The circumstances leading to the abandonment was as follows.

The undersigned was given the case among various other cases on Monday, Nov. 14, 2005. Due to a mistake of the firm's informal filing system, the undersigned mistakenly believed the deadline for this case would be Nov. 28, 2005 with a one month extension. See attached Exhibit A. Note that the unpresentable block letter of "6month=11/13/2005" and "NO!" was later added by the undersigned when he discovered the mistake.

The undersigned admits that he should have discovered the mistake when he first received the file wrapper of the instant case on Monday, Nov. 14, 2005 and thereby avert this mistake. The six month date being a Sunday (Nov. 13, 2005), any suitable actions done on the immediate next Monday was still timely. However, the undersigned was exhausted after a red-eye flight on Monday, Nov. 14, 2005 back to New Jersey from the West Coast after a 4 day ordeal in the West Coast due to a family member's medical emergency (a 4-bypass heart surgery with complications). Therefore, when the undersigned initially reviewed all the cases assigned to him when he came the office Monday afternoon, he mistakenly placed the instant file wrapper in the wrong order for things to do. In addition, the undersigned has just started working in his present job in less than 2 weeks (he started on Oct. 31, 2005).

Upon discovering the mistake, the undersigned immediately contacted his supervisor, who promptly replied and ordered the instant revival action.

Thus, Applicants respectfully Petition a revival of the instant case.

CONCLUSION

In the event there are any fees due and owing in connection with this matter, please charge same to our Deposit Account No. 11-0223.

Dated: December 16, 2005

Respectfully submitted,

By
